

The Galleon Story – Image one of eight

An excerpt from the journals of Captain Davey Jones.

The Galleons: - Guardians of the treasure fleets.

Two heavily armed galleons lead the treasure fleet into a gathering storm. Tasked with protecting the wealth of an empire, they face towering seas and the growing fury of the ocean. As lightning illuminates the darkened sky, the escort ships press onward on a perilous voyage where courage, seamanship, and luck will decide the fate of the fleet.
